SUMMARY

I am an energetic, ambitious person who has developed a mature and responsible approach to any task that I undertake, or situation that I am presented with. Though out the years of working in the customer service industry. I truly enjoy solving prob- lems and providing assistances for the consumer need. Furthermore, I am a creative, artistic and ambitious Graphics Designer with a talent for thinking outside the box and coming up with innovative ideas and designs. I earned my visual design certifi- cate from City College of San Francisco and subsequently have worked in the design industry for the past 2 years. I pride myself in providing excellent service to all stake- holders and seeing the positive impact I make in people’s lives and businesses.
